

PRE-BENT TUBING NOW PROVIDED IN BACK PRESSURE NON-VENT CONVERSION KITS

The product notice is to inform you that the tubing in our Back Pressure Non-Vent Conversion Kits will now come pre-bent.

In our ongoing efforts to enhance the Kimray customer experience, we will now provide pre-bent tubing in BPNV conversion kits (BP-D > BPNV-D) at no additional cost to our customers.

These kits will begin production on 5/1/2023.

A collection of pre-bent tube samples from various size BP-NV Conversion kits.
